

## Thank you for being a Speaker at CFX Essentials!

We're so happy you're choosing to share your wisdom with our attendees! Please refer to these Speaker Bulletins for important information you'll need to have a great experience at CFX Essentials.

---

### Presentation Slide Templates

Since we will be recording our sessions at CFX Essentials, we need your presentations prior to the show so that we have everything ready to go. **Presentations are due to Stephanie by September 15th.**

Please find slide templates located in the [Speaker Hub](#) for your use. If you have a pre-made deck, please use our templates for your title and closing slides at the very least.

---

### Share Your Participation!

Please use the social media graphics located in the [Speaker Hub](#) to share with your networks that you'll be speaking at CFX Essentials! Find discount code links to encourage people to find the best pricing available to attend.

New images have been added for those of you who submitted your information last week.

---

### Speaker Hub

Find everything you need to know to be successful with your presentation at CFX Essentials in one location! From marketing graphics to registration links to presentation slide templates and more, find it here on the Speaker Hub.

### A Note from Stephanie

Can you believe we're three and a half weeks out? The conference is coming quickly, and registration

numbers are continuing to grow. People are excited to come hear the wisdom and knowledge you're planning to share at CFX Essentials!

It is very important that you make sure to get yourself registered using the link in the Speaker Hub. If you need help getting registered, please let me know and I will be happy to help.

Also, please do your best to share with your networks that you'll be speaking. Many of you know people who can benefit from attending, and they may not know about the conference if you don't share it with them. Help other churches grow by spreading the news!

As always, if you have any questions, please reach out via email or call/text me at 717.222.7713.

Blessings,  
Stephanie Lippi  
CFX Essentials Conference Manager
