A Note from Stephanie

The conference is right around the corner, and we need you to do your part! Please make sure to send me your presentation decks BEFORE you arrive so we can ensure your slides will be included properly in the video recordings. (If you make any last-minute changes, please send your final decks as soon as you get those done.)

You should have received calendar invitations for your sessions. Please note that the times listed are in Eastern Daylight Time. I'll send more detailed information about what to expect when you arrive next week, so please make sure to keep an eye out for that.

As always, if you have any questions, please reach out via email or call/text me at 717.222.7713.

Blessings,
Stephanie Lippi
